"Beyond Iconic" screening at Upstate Films in Woodstock

By [SARAH LADUKE](#) (/PEOPLE/SARAH-LADUKE)

Listen

James Dean walks down a drizzly street in Manhattan with his coat collar up against the wind and the rain. It's an iconic image, captured by photographer, Dennis Stock.

Stock's photographs of movie stars, jazz musicians, hippies, architecture, landscapes, and nature are such a part of the story of America in the 20th century that even if you've never heard his name - you have seen some of his work.

[Beyond Iconic](http://www.jansawka.com/hmsawka/beyondiconic/index.html) (<http://www.jansawka.com/hmsawka/beyondiconic/index.html>) is a documentary film about Dennis Stock directed by Hanna Sawka. The film is screening this Sunday at 1:30pm at [Upstate Films in Woodstock, NY](#) (<http://www.upstatefilms.org/special-events>).

Hanna Sawka will be at the screening for a Q&A following, and then musicians Teri Roiger and John Menegon - who scored the film - will perform down the street at [Center for Photography Woodstock](http://www.cpw.org/) (<http://www.cpw.org/>).

Hanna Sawka joins us to talk about the film.
